Metode perseberan pengetahuan:

Perspektif Kolektif

"Persebaran" mengasumsikan
"yang jamak", "banyak orang",
jejaring keterhubungan dan yang liyan

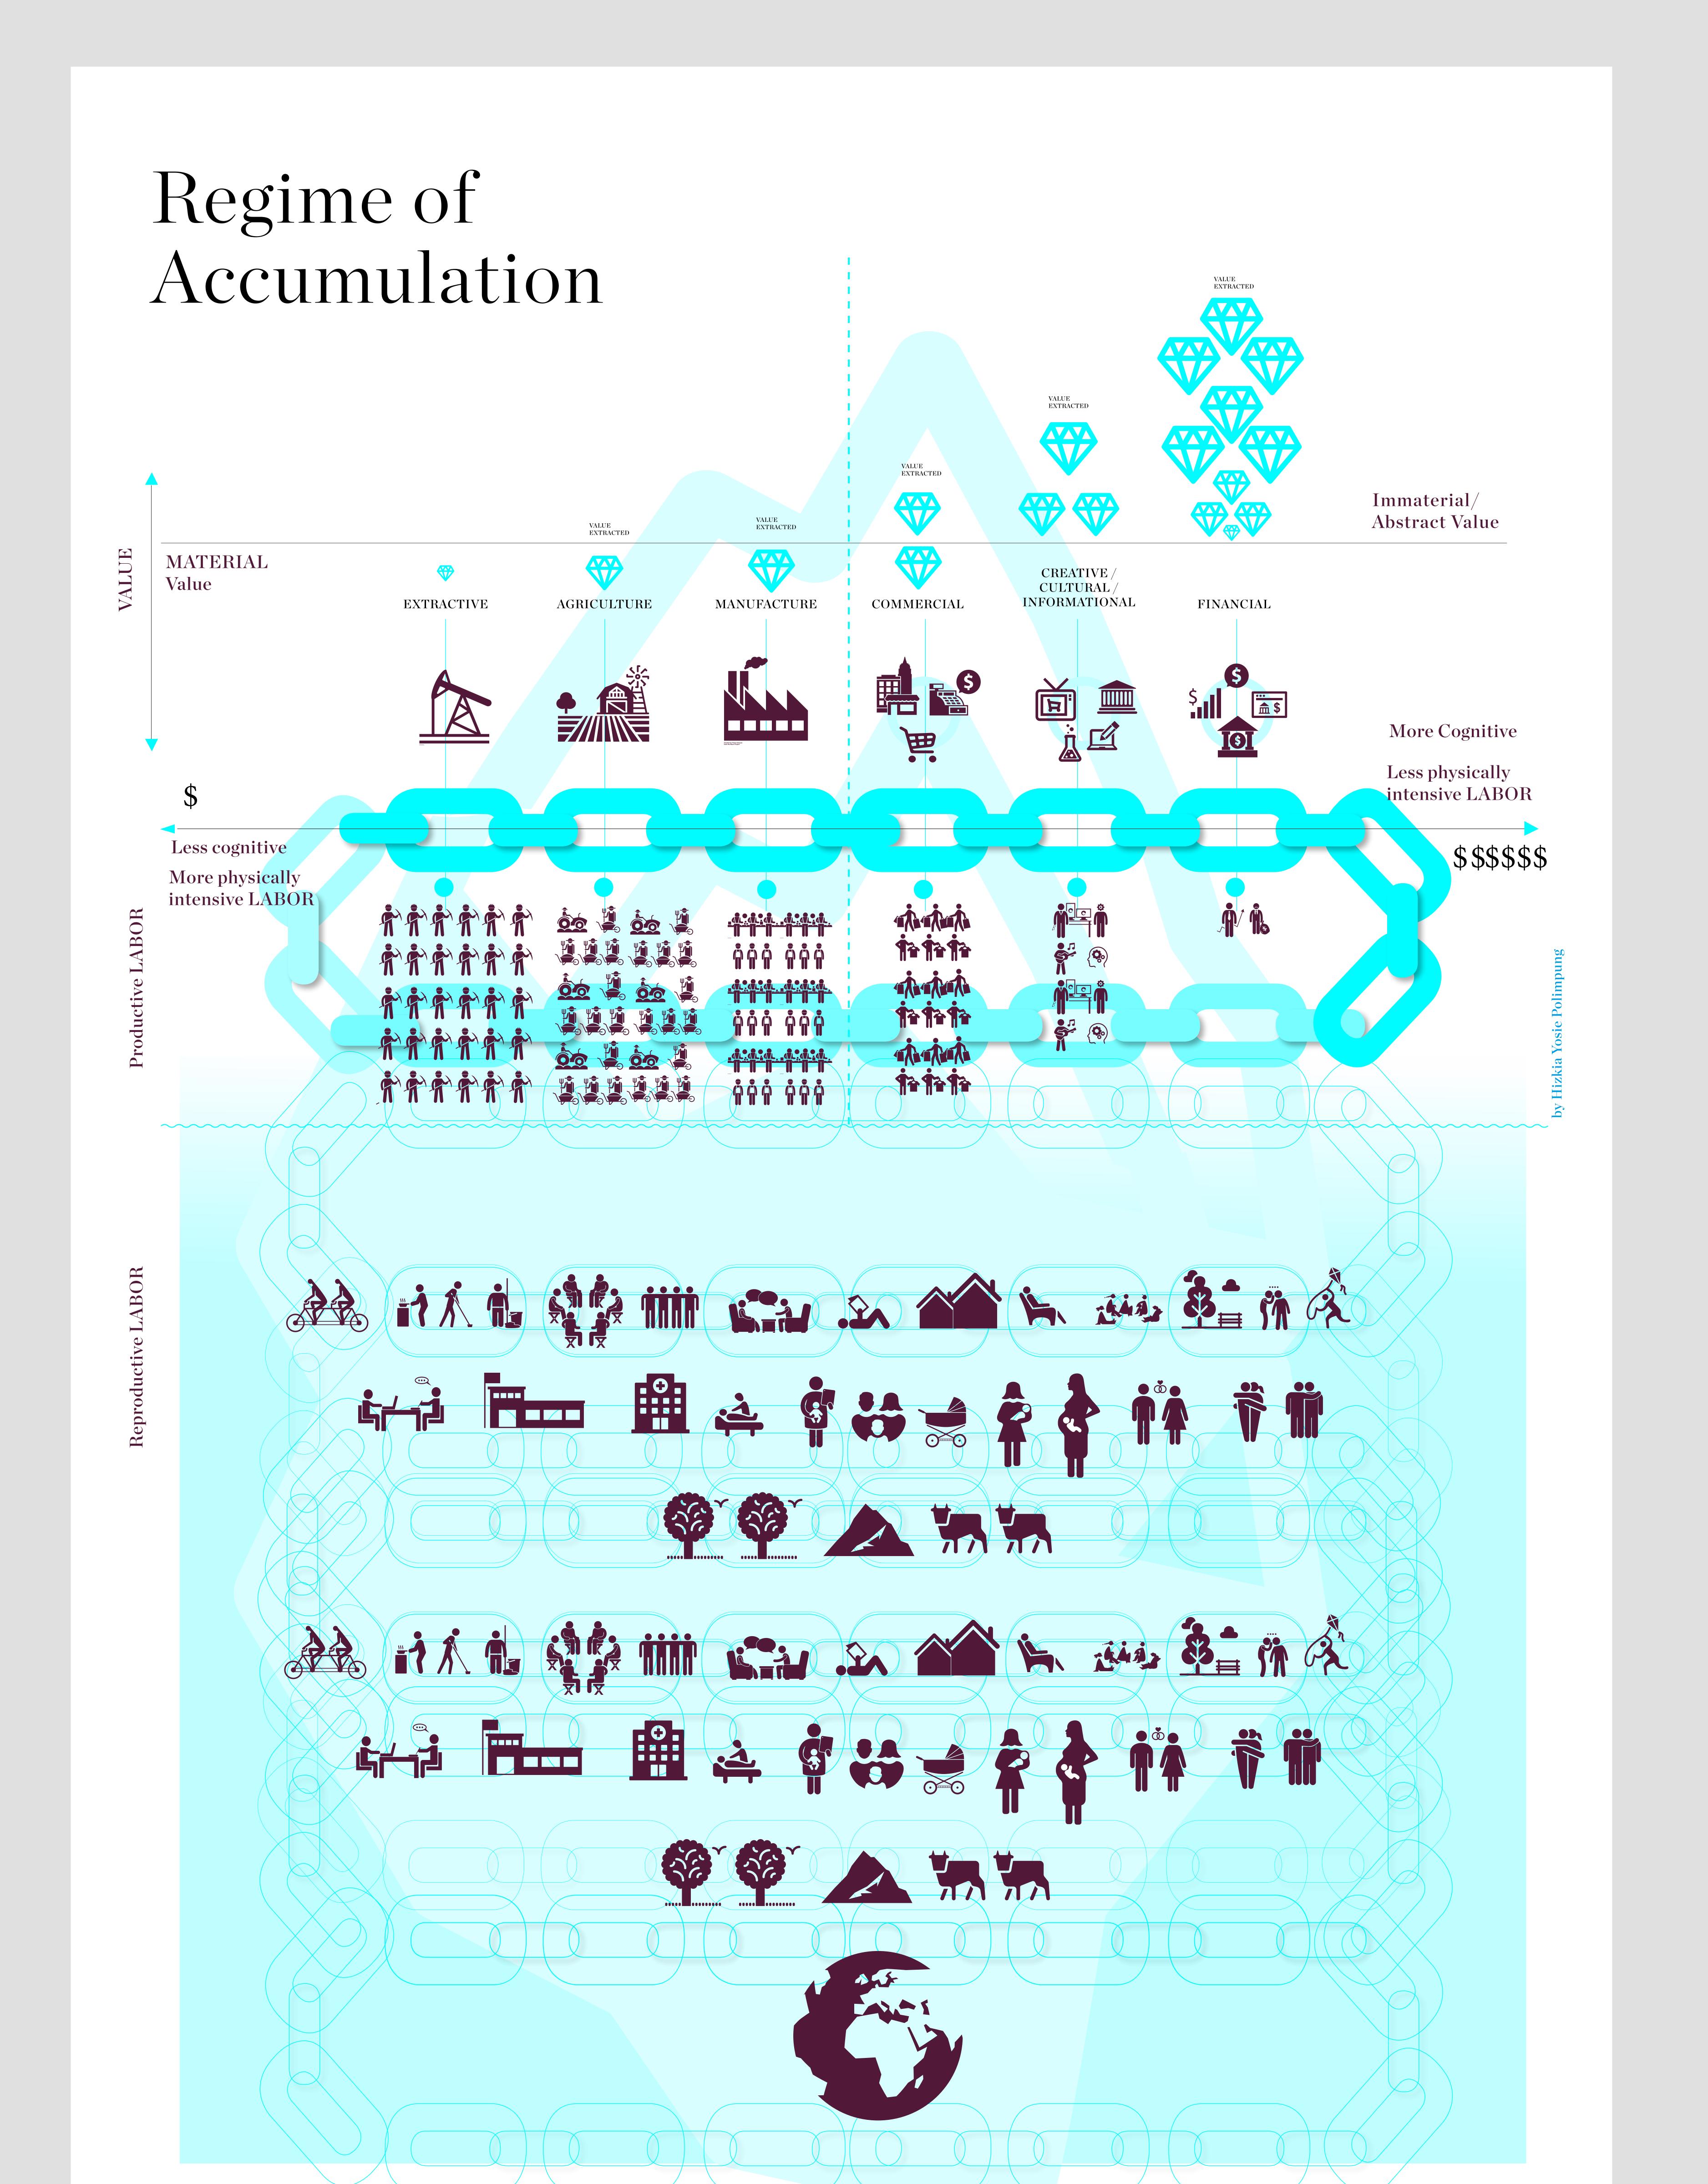

semua produksi karya dan pengetahuan adalah hasil dari sistem, tatanan dan permainan

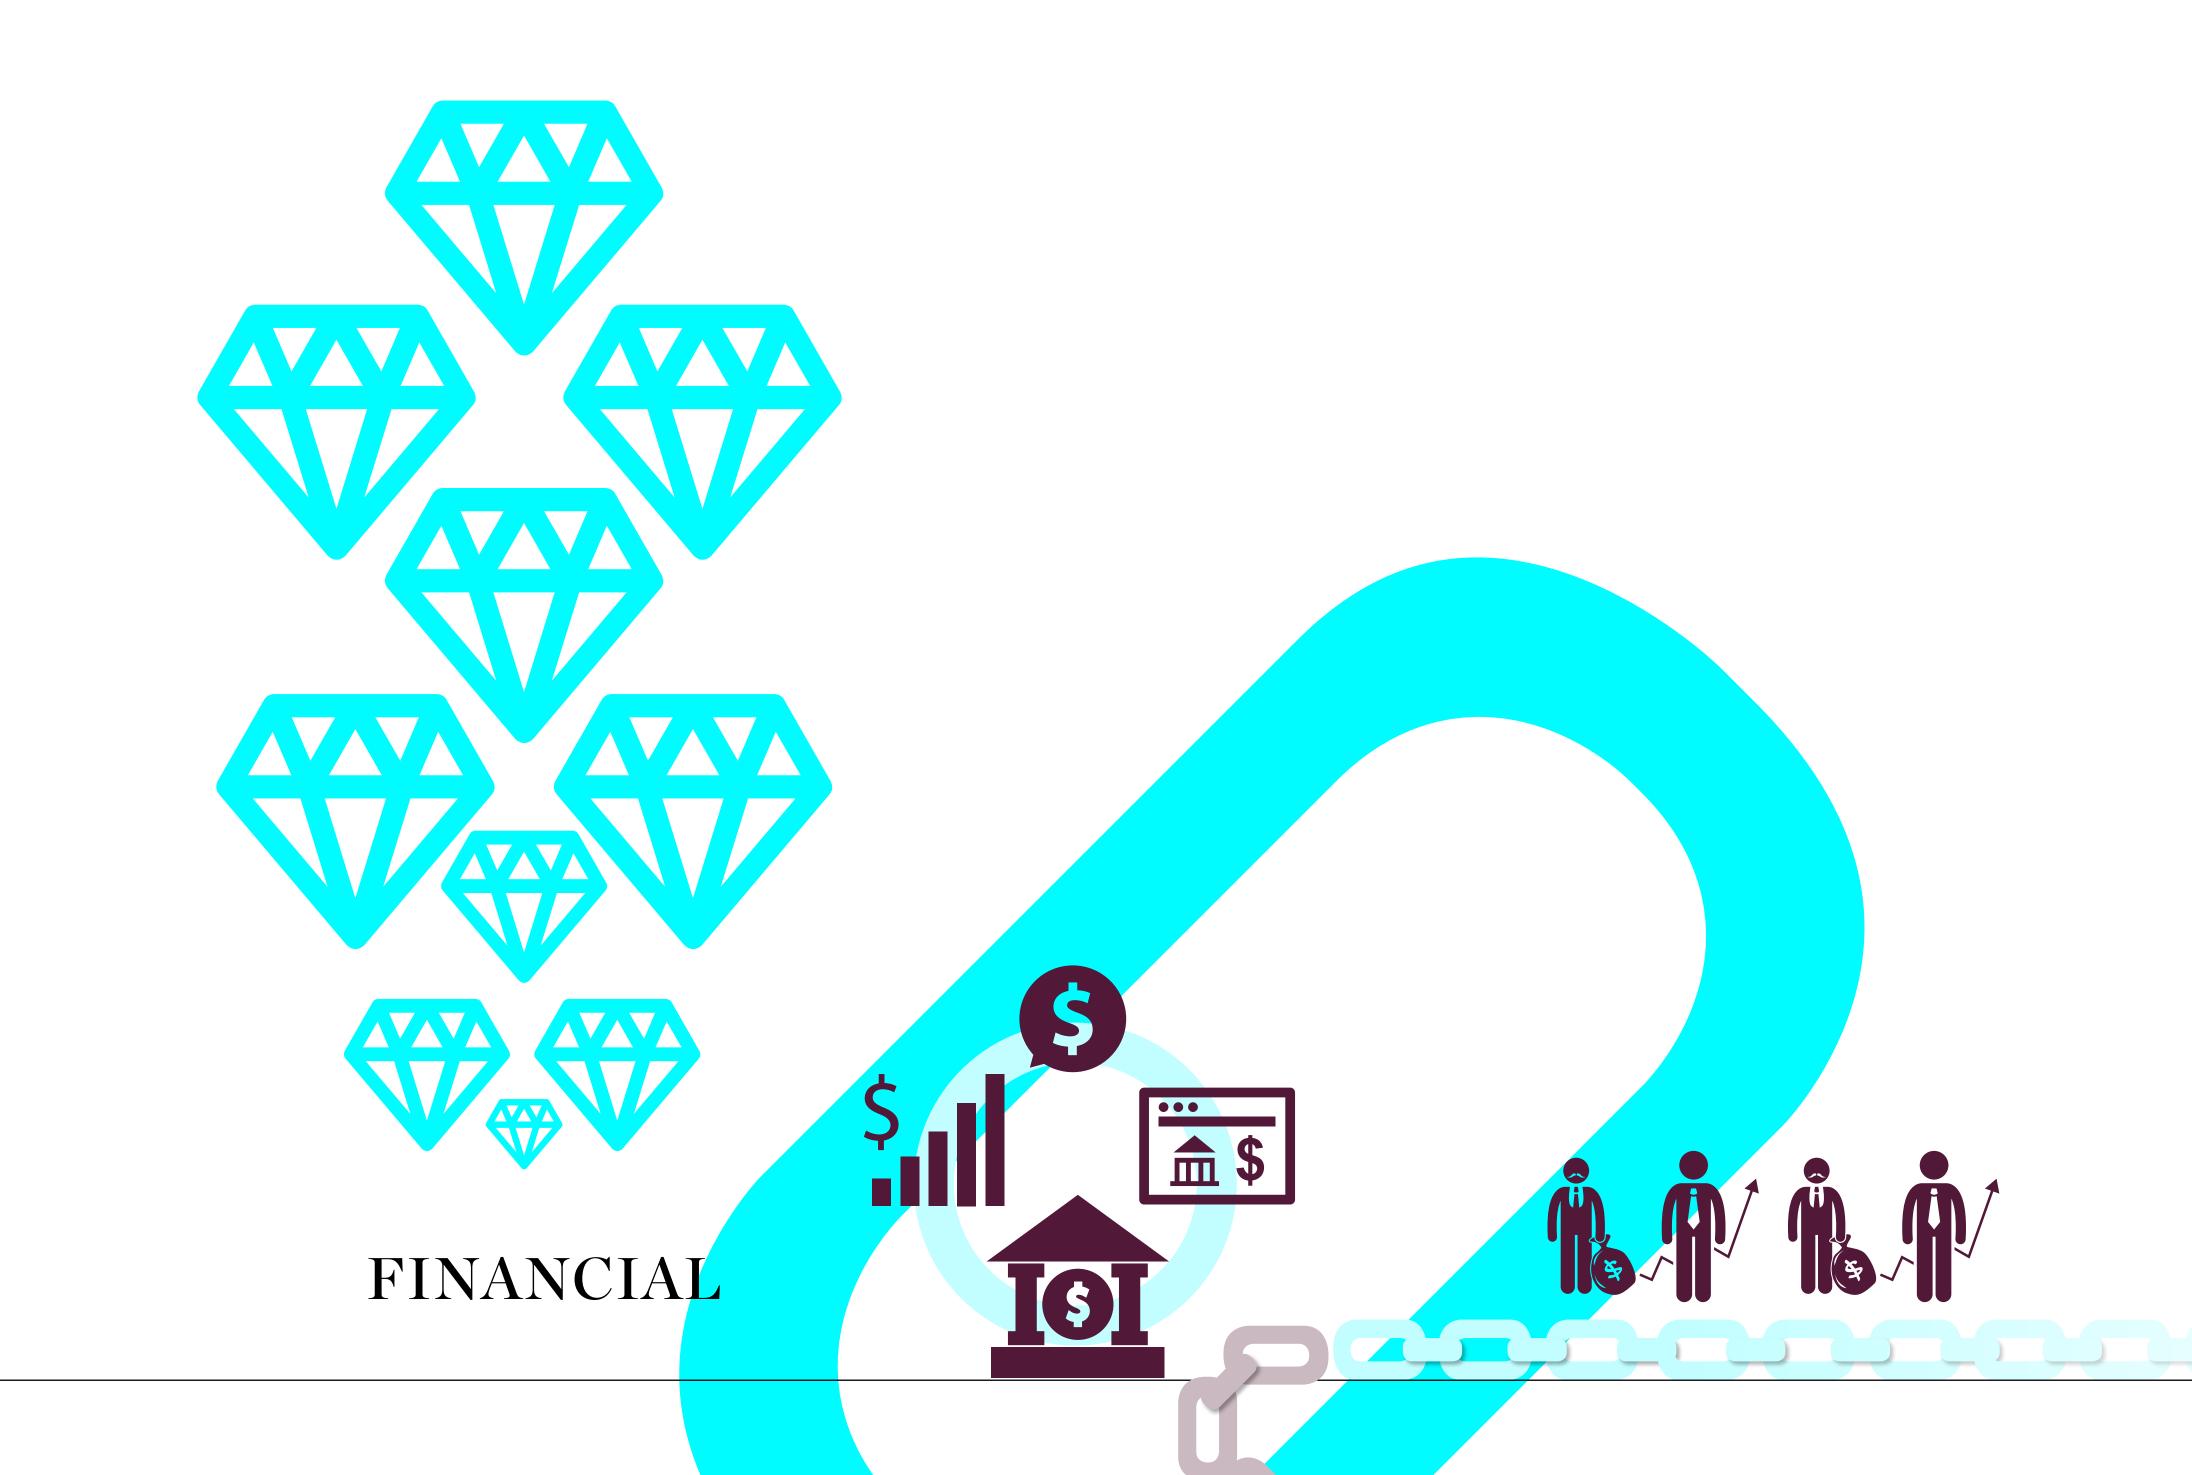

semua sistem, tatanan dan permainan mensyaratkan adanya agen, aturan, relasi dan reward system. kompetisi vs kooperasi Metode perseberan pengetahuan:

Mengimajinasikan kerja-kerja yang reproduktif Rantai Nilai Global dan "feminisasi ekonomi"
